

## **2007 Jerry Talmadge, Putnam City Alumni & Friends Golf Tournament**

The Jerry Talmadge, Putnam City Golf Tournament was held on Friday, October 27, 2007. It was a very cold and windy day, and even under those weather conditions, we had 38 of the 39 registered people show up and play.

We missed seeing several old friends, as Mr. Mayfield and Bill Pritchett were not able to be there. I missed Bill on several levels, as a dear friend and as my mentor.

I am now in charge of the operation of the Golf Tournament, and will try to carry on in Bill's place.

The winners of last year's tournament were the team of GORDON HALEY, KEN HAROLD, BRITTON HAROLD, and AND KEN OWEN.
