

We want you...

to tell your stories about the Putnam City Schools!

The PC School District will be celebrating a century of service in 2014. A committee has formed to put together a book of history and memories of all the schools in the District.

This is where you come in...

we would like to include your story in the book. Here are some topics to jog your memories. Write your story and return it to PC Schools Museum, P.O. Box 561, Bethany, OK 73008 or e-mail a Word document to putnamcitymuseum@att.net.

Here is a simple formula. Find an event or incident you recall from your days, or how attending PC Schools benefitted you later in life. Just remember the 5 W's and the H! (Who, What, When, Where, Why and How). Then fill in the gaps so the story flows freely (the copy editor can help with this step). Here are some examples...

Who -- The 1961 football team, or the cheerleaders, or John Smith...

What -- painted the U.S. map at three elementary schools...or won medals at the scholastic competition...

When -- during the Christmas break...or on a snow day...or during graduation...or on January 18, 1964...

Where -- at the gymnasium...or in the school bus on a trip...or in the English classroom...

Why -- to learn algebra...or to let off steam after losing the game...or just to hang out with friends...
