## Alumni president welcomes Pirates home

Ahoy Pirates! Hope everyone is well. The last year has seen many changes again in our lives. We have all known those who have been touched by COVID-19.

In this newsletter, we have listed those we've lost since our last All-Classes Reunion. We did not send out a newsletter last year due to cost and the 2020 reunion cancellation due to Covid. I did put a note, which is still there,

on the pchs4allyears.com website. A great many events had to be cancelled.

However, once again familiar, annual events are planned for our 2021 get-together. Of course, the Saturday, October 30, Pancake Breakfast and the Sunday, October 31, All-Classes Reunion will both take place. Details are inside this newsletter.

You will also find information about the PCHS Alumni Association Scholar-

ship winners, the museum hours of operation, ways you can contribute to our beloved school, scheduled individual class reunions and so much more.

I also want to tell you about our current students. The 2021-2022 session of school has begun with in person learning. Every school building in the district has Bipolar Ionization Systems, a coronavirus-killing air system. This is great for the "return to learn" for the students. Hand sanitizing stations have been installed throughout the school buildings and on buses.

## Your support keeps us going!

Your tax-deductible contributions pay for:

- Scholarships for students like those at left
- Costs of the All-Classes Reunions
- Operating expenses of the Alumni Association
- Printing/mailling the annual newsletter, which may go to being produced every other year because we lack financial support. Please pay your annual dues and more if you can. Help us keep in touch with each other!

## President's Corner

*continued from Page 1*

Pirate Football has begun as well. October 1 will be the next home game against Tulsa Union. The full schedule is on our website and in these pages..

I want to tell you about your alumni association. Our main focus is to assist graduating seniors with their college expenses in the form of annual scholarships.

We also maintain the list of graduates from each graduating class. We accumulate names, addresses, phone numbers and email addresses to assist classes who are beginning to plan their reunions.

Our big ask from everyone is that if you have moved since graduating high school, please let us know your address changes. We ask the contact person from each class to reach out to us

with updated information for your class. We use these addresses to send this newsletter out and to provide contact information for alumni wanting to reach their designated class contacts concerning future reunions.

We ask each alumnus to donate at least \$10 per year to help fund scholarships. You can also purchase a Lifetime Membership for \$100 that will cover your yearly dues plus other perks. There is a more information in this newsletter on Page 4. Donations to the Alumni Association are tax-deductible.

Hope everyone stays safe and hope to see you at the end of October at the Pancake Breakfast and/or the All-Classes Reunion.

Once a Pirate, Always a Pirate!
